Istanbul, 16.04.2025 — Dirimart is pleased to announce its participation in **Art Dubai 2025** with ***Resonance Within***, a group presentation exploring how city life and essence stimulate and inspire artistic creation. On view from **April 18 to 20** at **Madinat Jumeirah Conference & Events Centre**, the selection includes works by **Çiğdem Aky, Nuri Bilge Ceylan, Seçkin Pirim, Canan Tolon, and Çağla Ulusoy**.

Resonance Within captures Dubai's distinctive cosmopolitan momentum—an active, resonant force uniquely capable of stimulating artistic expression. The city's vibrant rhythm is mirrored in each artist's work, which provides diverse visual and emotional interpretations of metropolitan life.

Çiğdem Aky continues exploring colour with weighty, emotionally fluctuating arrangements. Her new series for Art Dubai, *True Colour*, captures smooth, harmonious hues that elicit an emotional resonance, connecting viewers to the subtle yet profound rhythms of metropolitan existence.

Nuri Bilge Ceylan reveals a previously unseen portrait and landscape, premiering for the first time in Dubai. His evocative photographs encapsulate a profound visual and emotional echo in both human presence and absence within urban and natural landscapes.

Seçkin Pirim's work visually translates resonance through complex geometric abstraction. His practice invites viewers to engage sensorially with the dynamic interaction between cities and human emotions.

Canan Tolon's work reflects on how natural elements interact with human-made environments and creates compositions imbued with Dubai's intensity and warmth.

Çağla Ulusoy channels the energy of everyday objects into compelling visual narratives. Ulusoy transforms ordinary elements into potent symbols and reveals new meanings that explore the relationship between the mundane and metropolitan consciousness.

Resonance Within opens up a space to reflect on how artistic expression and the rhythms of city life inform one another. Each work illustrates Dubai's ever-shifting essence and forms a multilayered dialogue on sensory energy and emotional connection.

The selection will be on view at **Dirimart's Booth B14 (Arena – Hall 1) at Madinat Jumeirah Conference & Events Centre during Art Dubai 2025.**
